Dear Educator:

The above named child has applied for admission to Wingra School. To help us make admissions and placement decisions that best serve the child, we would greatly appreciate information from you about previous school experiences. Please take some time to answer the questions below. We value your input and appreciate your time and assistance.

Thank you,

Christine Stocke, Director of Enrollment & Marketing

1. Please state the age, dates, and capacity in which you worked with this child.

Ages _____ to _____ Dates _____ to _____

Capacity: _____

2. Please comment on this child's academic development in the area(s) in which you are most familiar.

3. Please comment on this child's social skills, both with classmates and adults at school.

4. What are this child's greatest strengths?

5. What is challenging for this child at school?

6. Have you ever had any social, emotional, or behavioral concerns regarding this child? If so, please describe and discuss how these concerns were addressed.

7. Have any special learning needs been identified? If so, please discuss and describe any support services (speech therapy, occupational therapy, etc.) this child has received.

8. Is there anything else we should know in considering this child's enrollment? Do you have any additional comments to share?
